

RUSSELL FEHRENSEN

34130 Dianthus Lane

Lake Elsinore, California, 92532

(951) 807-4393

RussellDeanFehrensensLPA@gmail.com

OBJECTIVE:

Obtain a position as a Speech Language Pathologist Assistant.

EMPLOYMENT HISTORY

Clinical Practicum:

Marry McLeod Bethune Elementary School

Val Verde School District

25390 Krameria Street, Moreno Valley, CA 92551 | Phone (951) 490-0380 | Fax (951) 490-0385

Under the Supervision of:

Chelsea Youngs, CCC SLP

(480) 391-2327

Duties:

While attending clinical practicum, I assisted the onsite speech-language pathologist in preparing the materials for the conduction of client screenings and assessments of language, voice, fluency, articulation, or hearing. I implemented treatment plans and protocols as directed by speech-language pathologist. I assisted the speech-language pathologist in the remediation of development of speech and language skills. I also collected and compiled data to document clients' performance to assess progress towards IEP goals. I documented clients' progress toward meeting established treatment objectives. As well as tested and maintained equipment to ensure correct performance.

Utilities Maintenance Worker 12/2006 – 06/2013. Resigned To Attend to My Education as a Speech Language Pathologist Assistant.

City of Ontario, California

1425 South Bon View Avenue

(909) 395-2442

Duties:

- Operate a class "A" tanker, air brake, vector truck used to maintain sewer systems.
- Operate dump trucks, crane trucks, water distribution service trucks, gate valve trucks and back hoe equipment.
- Locate and marked underground water utilities.
- Operate mobile generators, water pumps, asphalt cutters, jack hammers, pipe traders, gas torches.
- Directional light boards and soil compactors.
- Repair water main lines.
- Repair, replace, and exercise water distribution system gate valves.
- Repair and install water services meters; fire hydrants air vacs and other water and sewer system related equipment.
- Setup traffic controls and direct traffic.
- Install shoring for trench safety.
- Trained in and use hazardous gas detectors.
- Trained in and partake in operation of confined space entry using escape tripods.
- Flush and paint hydrants.
- Replace meter boxes, covers, and lids.
- Prepare daily activity reports, spread sheets and work reports.

In this position, I have worked alone and I also have worked in with large groups of individuals from diverse backgrounds. I have learned how to work safely and efficiently with large and small group diverse public. I enjoy dealing tactfully with the public in order to provide the best possible service that is expected of my public employment.

Maintenance Technician 11/2005 - 12/2006

City Of Rancho Cucamonga, California

10500 Civic Center Drive

Rancho Cucamonga, California, 91730

(909) 477-2700

Duties:

I performed a variety of municipal maintenance activities involving:

- Operation of various types of small equipment and tools.
- Preventative maintenance, welding, plumbing, drywall, painting, small engine repair and janitorial duties at many different city facilities.
- Maintained athletic fields, sports centers, horse arenas, parks, and the city hall.
- Assisted in setting up and breaking down for city sponsored events.
- Performed custodial work which included sweeping, cleaning, sanitizing restrooms and stocking restrooms with supplies.
- Painted interior and exterior surfaces.
- Performed plumbing and minor electrical repairs.
- Cleaned carpets, repaired locks and performed minor carpentry and metal work.

While in this position I gained knowledge of methods, common tools, and equipment used in public works construction and maintenance work. I also obtained knowledge of basic safety precautions and procedures and the ability to perform skilled and unskilled maintenance work while operating and performing routine maintenance and servicing of a variety of different departments.

Night Service Manager 3/2004 - 9/2005

Lewis Operating Corporation

1156 North Mountain Avenue P.O. Box 670

Upland, California 91786

(909) 985-0971

Duties:

Provided resident services and property patrol and inspection duties during evening and night hours (Approx. 5 p.m. – 2 a.m.). My duties included enforcing property rules and parking procedures, minor maintenance, reporting of landscape and grounds conditions, resident communication, and acting as a liaison between police, fire, towing, or other service agencies. I provided supervision of the entire property by enforcing rules and regulations in a positive proactive manner. In this position, I learned proper professionalism in interacting with residents and the public.
